HEADQUARTERS REPUBLICAN TERRITORIAL CENTRAL COMMITTEE.

TUCSON, ARIZONA, August 22, 1900.

TO THE REPUBLICAN PARTY OF ARIZONA:

A convention of delegates of the Republican party of the Territory of Arizona is hereby called to meet in the City of Phoenix, at 10 o'clock a. m., on September 24, 1900, for the following purposes:

1st. The nomination of a delegate to Congress.

2d. The selection of a Territorial Republican Central Committee.

3d. The transaction of such other business as may properly come before it.

The basis of representation will be one delegate for each fifty votes and for every fraction of votes over twenty five cast for Hon. Alex. O. Brodie for Delegate to Congress in November, 1898; therefore, the representation will be as follows:

Proxies will be recognized only when presented by a voter who is a resident of the County from which the same is issued.

All railroads have been asked to make a reduced rate for this convention and if no such rate is in force when delegates leave for the convention they should take receipts for money paid and the matter can probably be arranged at Phoenix for returning free.

A full attendance of delegates is earnestly desired, as well as the presence of representative Republicans from every part of the Territory.

CHAS. R. DRAKE,
J. KNOX CORBETT, Chairman.
Secretary.

UNGRATEFUL MR. BRYAN.

Had it not been for expansion Mr. Bryan would not have been a presidential candidate this year. How's that? Mr. Bryan explicitly stated, again and again, that he positively would not be a candidate unless the free coinage of silver, 16 to 1, was a specific plank in the platform. The committee on resolutions stood evenly divided, one-half for free silver, one-half op-

posed to any specific declaration in favor of that monetary heresy, with one delegate to hear from. That delegate and member of the platform committee was from Hawaii, the territory from which our flag was removed by order of the Democratic president, Grover Cleveland, by and through Paramount Blount, and which territory was made a part of the United States through President McKinley's Republican administration. This product of expansion had the deciding vote, and he cast it in favor of the free coinage of silver, thus permitting Colonel William Jennings Bryan to be the nominee of the convention. And it is rather queer that this Hawaiian delegate to a Democratic convention was a royalist and bitterly opposed to annexation. It is rather ungrateful in Mr. Bryan to inveigh against expansion when that same expansion made him a presidential candidate.—Citrograph.

R. W. Winch and Miss Mary E. Conners went through an educational ordeal yesterday when they appeared before Judge Frank for examination for qualifications as public school teacher. Both were successful.

Frank Blaisdell has been granted a franchise to extend his telephone line over Yuma county, the conditions of which may be learned by reading the minutes of the board of supervisors which appear in this issue of the Sentinel.
